So you want to go ahead....?

All students seeking to take part in Legal Internship must:

- Complete the Expression of Interest form;
- Provide a Curriculum Vitae of no more than 2 A4 pages; and
- Attend a short meeting with the unit-coordinator and, in some cases, a representative of the host organisation.

- The Expression of Interest form and CV must be submitted by **5.00pm Tuesday 26 April 2016**. Two copies are required, electronic and a hard copy to be submitted at the Law Support Office.

- Due to the volume of applications and the necessity to interview prospective interns, the application process is quite lengthy. Please be patient. Students will be notified whether they have been allocated a placement by **Tuesday 14 June 2016**.
